

Carroll Health Group

How to access your medical information online using Web View.

Your access information:

To access your medical information, navigate to the webpage listed below and enter your assigned user name and password. Once complete click the Login button. The patient chart page will appear.

Web page: <https://webview.mckesson.com/CarrollHospitalWebview>

Your user name: your first initial , followed by your last name, then the last four digits of your social security #

Your password: password#1

To view your chart once you are logged in:

On left sidebar menu, click the item you want to view.

Once clicked, the information will appear in the center of the page.

Logging out & exiting

You should always log out of your online chart when exiting WebView, especially if you are accessing the product from a shared or public computer.

To log out: Click “Logout” at the top left side of the page. The login screen will appear, verifying that you are logged out successfully.

Upon initial log in, you will be prompted to change your password.
